DETAILED ACTION

1. The amendment filed June 21, 2001, has been received and entered. The text of those sections of Title 35, U.S. Code, not included in this action can be found in a prior office action.
2. Claim 2 has been cancelled.
3. Claims 1 and 3-22 are pending.
4. Claims 4-10 and 12-22 are withdrawn from consideration as being non-elected claims. The election was made without traverse in Paper Nos. 4 and 7.
5. Claims 1, 3, and 11 are examined on the merits.

Claim Rejections - 35 USC § 102

6. Claims 1, 3 and 11 are rejected under 35 U.S.C. 102(b) as being anticipated by CAPLUS English abstract of Japanese Patent No. 62005126 B4 for the reasons set forth on page 3 of the previous Office action.

All of applicant's arguments regarding this ground of rejection have been fully considered but are not persuasive. Applicant argues that JP '126 does not anticipate the claims because the reference teaches an isolated and purified compound which is not extract. However, the compounds taught by JP '126 are considered by the examiner to be extracts. The compounds were extracted from the plant using alcoholic solvents. Subsequent purification does not make these compounds any less of an extract product. Therefore, JP '126 is still considered to teach the stated claims.

7. No claims are allowed.

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
